Procedures

Applying for a Procurement Card

Those interested in obtaining a pcard should first contact their supervisor to discuss eligibility. Those individuals who believe they are eligible for a card will then complete an online tutorial and pass an exam. This will ensure that individuals understand and agree to the responsibilities of a cardholder prior to applying for a card. After completing the tutorial and exam (see “PUR 111 – Procurement Card Tutorial and Exam” found at culearn.cornell.edu), contact your service center to request that an application for a pcard be initiated for you.

The application form requires the signature of the applicant, supervisor and unit manager (or chair. Credit Card Programs reviews all materials and, if approval is granted, will contact the prospective applicant (via email) with final details on the card issuing process.

♦ Notes:
- Cardholders are encouraged to review the written instructions on submitting documentation, which may be found on the Procurement website.
- An individual may receive only one pcard per unit served by the same Service Center.
- Cardholders may NOT transfer a pcard to a new position. A new position, with different responsibilities and a new supervisor, requires completion of the pcard application process if the use of a pcard is requested.

Procurement cards are sent via US Mail, by the issuing bank, to the address provided on the application. Replacement cards will be automatically mailed to that same address no later than seven days before the card’s expiration date. Please note that once your card is issued you must notify Credit Card Programs of your primary address change by completing the Credit Card Update Form as updates made in Workday are not shared with the issuing bank.

Dispute Process - Correcting Erroneous Charges on the PCard

If a cardholder authorizes a vendor to charge his or her pcard, and the resulting charge is incorrect, the cardholder should first contact the vendor and attempt to resolve the error. Some examples of common “errors” are incorrect dollar amount, duplicate charge, credit not received. If the error is not resolved by contacting the vendor, the cardholder will contact the financial institution to initiate a charge dispute. Charge disputes must be initiated within 60 days of the statement date on which the error appeared. The financial institution must acknowledge the “charge dispute” within 30 days of receipt of the report. Within 90 days of receipt of the report, the financial institution will correct the error or provide an explanation as to why the charge is correct.

♦ Caution: If the cardholder has not authorized a vendor to charge the pcard, then the cardholder must assume that an unauthorized party has obtained his or her pcard number and must contact the financial institution immediately. The pcard account will be shut down and a new plastic, with a new account number, will be mailed to the cardholder. The financial institution may also request that the cardholder complete an additional form (mailed to them by the financial institution) confirming the fraudulent use of the pcard.

Lost or Stolen PCards

If a pcard is lost or stolen, the cardholder must contact the financial institution immediately to ensure that fraudulent use of the pcard does not occur. The financial institution will shut down the pcard account and will mail a new plastic, with a new account number, to the cardholder.
Cardholders Change of Status
If a cardholder changes positions within the university, or terminates employment, their pcard must be closed. If a cardholder is on any type of university leave that extends beyond 14 days or is for an unknown duration, that individual’s pcard must be suspended. The individual’s supervisor will inform the Service Center of the date that the cardholder’s leave will start or as soon thereafter as possible. Suspending the pcard will prevent unauthorized use of the account during a time when the cardholder is not available to dispute the charge. See Account Closures and Other Changes to Procurement Cards for further details on suspending an account.

Purchases Rejected by Vendors
If a purchase is declined at the point of sale, the cardholder will first contact the financial institution to obtain the reason, then contact Credit Card Programs if they can provide further assistance. If a card is accidentally destroyed or is damaged and cannot be used, the cardholder will contact the financial institution to request a replacement card.

Account Closures and Other Changes to Procurement Cards
For address changes, account suspensions, account closures, name changes, or any other change of the pcard account, procurement card coordinators will complete an online Credit Card Update form, found at https://www.dfa.cornell.edu/procurement/buyers/credit-cards/procurement-card/forms.

♦ Note: When a procurement card is lost or stolen, and the financial institution subsequently issues a new plastic with a new account number, a Credit Card Update form does not need to be submitted. (See “Lost or Stolen PCards” above.)

Expanding Procurement Cards
A pcard near its expiration date will automatically be replaced by the financial institution, no later than 7 days prior to the end of the month in which the card expires. If a replacement for the expiring pcard is not received, and it is within 7 days of the end of the month in which the card will expire, the cardholder will contact the financial institution.
